## MERCY VOLUNTEER CORPS

### MESSAGE FROM THE EXECUTIVE DIRECTOR

*Marian H. Uba*

Dear Friends,

On behalf of the staff and board of directors of Mercy Volunteer Corps it is my privilege to present to you the 2021-2022 Annual Report. In August 2021 we commissioned 28 Mercy Volunteers who accepted the invitation from the Sisters of Mercy to spend a year providing compassionate service to those in need. Each brought their unique skills and enthusiasm to their community and ministries. Their participation and contribution is remarkable, particularly given the circumstances surrounding a continuing pandemic. We are so very grateful for them.

The theme for their year was "There is Always Light " taken from the poem by Amanda Gorman and read at the Presidential Inauguration.

*"For there is always light, if only we're brave enough to see it. If only we're brave enough to be it"*

I really can't think of a better way to describe the experience of a Mercy Volunteer. They are encouraged to discover the beauty in brokenness and light where there is darkness and to do so with compassion. That does indeed require bravery in the truest sense.

This report recognizes the individuals, corporations and organizations who enable us to carry out this mission of mercy and justice. In this season of gratitude, we are keenly aware of the light that you give to us. This mission belongs to all of us. Your contribution and commitment widens and enriches the circle that holds the global community and ensures that the light that is Mercy burns brighter and stronger. We are so very grateful for you.

Wishing you the blessings of peace and light,

Marian H. Uba  
Executive Director

# MERCY VOLUNTEER STORIES

## Compassionate Service

"I care for a unique and particularly vulnerable population whose resilience inspires me to become a source of healing and hope. Every day is a reminder that someone's trust is a gift and an opportunity to make their world a better place."

*Davin Lee  
New York, New York*

## Social Justice

"MVC is a family of volunteers and staff alike who are all committed to answering the cries of social injustice through faith, service, and a desire to be immersed in solidarity with community."

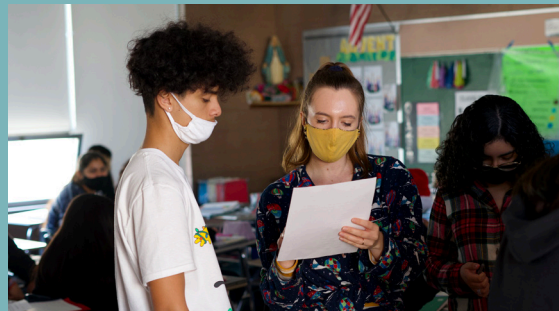

*Lauren Scheunemann  
Detroit, Michigan*

## Simple Lifestyle

"My community members helped open my eyes to start thinking about living simply as another part of social justice, and different ways to care for both people and the Earth."

*Katrina Thaibinh  
Baltimore, Maryland*

## Community

"It is a pleasant reminder to take a deep breath and share a little of yourself with all the people you meet. This sense of community is just one of the things I like most about being in Savannah. Like they always say, a stranger is just a friend you haven't met yet."

*Lily Kase  
Savannah, Georgia*

## Spiritual Growth

"I have found immense spiritual growth through my year with MVC at both my service site and at St. Agnes' Parish. I thank God everyday for the communities I have been given, and I encourage you to practice a moment of gratitude for the gifts that God has given you as well."

*Alivia Schmidt-Sanders  
San Francisco, California*
